

RESTORE YOUR POLICYHOLDER'S PROPERTY & PEACE OF MIND

WATER DAMAGE RECOVERY CHECKLIST BEFORE

- Remove as much water as possible by mopping and blotting.
- Remove wet area rugs or other floor coverings not permanently attached. Do not attempt to start removing wall-to-wall carpet.
- Lift draperies off the floor, loop through a coat hanger and place the hanger on the drapery rod.
- Wipe furniture, prop up wet furniture cushions for even drying and place aluminum foil under furniture legs.

DURING FLOODING OR EVACUATION

- Move immediately to higher ground. If time permits, secure your home and disconnect electrical appliances.

AFTER

- Return home only when authorities indicate it is safe. Avoid floodwaters and moving water — stay away from and report downed power lines.

At ServiceMaster Restore, we know how important it is to quickly recover from unexpected water damage. Whenever water damage occurs, have your clients follow these simple steps to help with the water restoration process.
